Odyssea™
for Multi-Academy Trusts

The New Standard for Multi-Academy Trust Back Office

A new dedicated approach for Oracle Cloud and ServiceNow technology implementations in the Multi-Academy Trust marketplace placing an emphasis on adoption, personalisation and experience over customisation.

Our knowledge and delivery expertise with Multi-Academy Trusts means we have developed a focused accelerator in the academic market. Our ready to use academic set up we can deliver a complete Back Office cloud digital transformations for a fixed price in an agreed amount of time delivering a faster time to value and lower total cost of ownership.

Key Benefits:

Greater financial transparency and control

Enabling informed decision-making for users

Improving governance and accountability
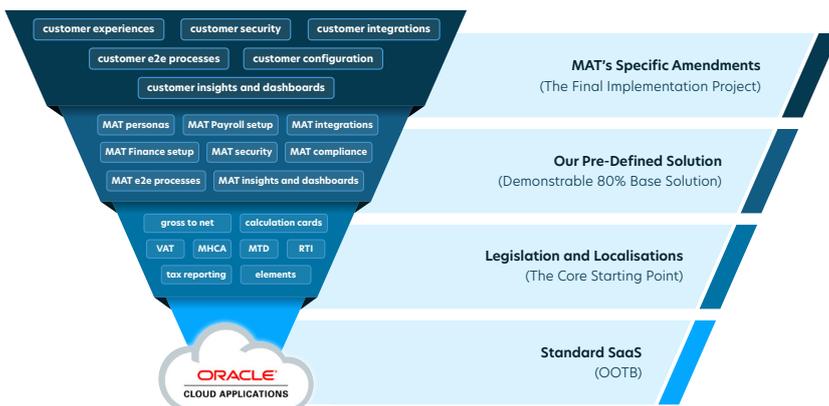

Empowering Academies for success
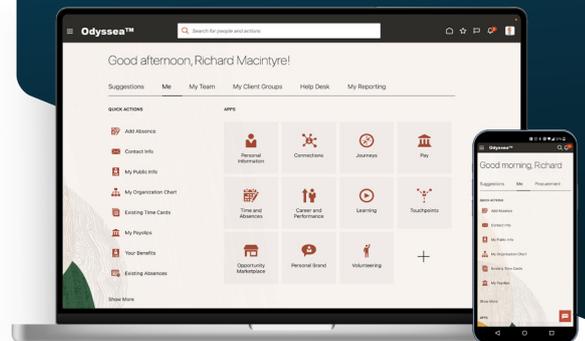

Driving staff recruitment and retention

Accelerating the time to return on investment
