

Odyssea™ for Local Government

The New Standard for Local Government Back Office

Odyssea™ for Local Government is our 'springboard to the future' helping UK councils become more efficient, cost effective and agile when it comes to finance and people management delivery.

Our 3-step blueprint approach enables UK councils to benefit from leveraging an 'adopt not adapt mindset' to increase the time to value, while reducing implementation risk and complexity.

-  **LEARN**
Experiencing the solution
-  **VERIFY**
Validating the experience
-  **USE**
Living the experience

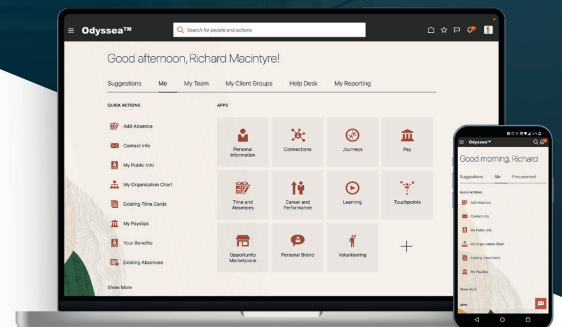

Odyssea™ for Local Government provides:

- ✓ A working Oracle Cloud solution from day one
- ✓ A foundation for modern finance and HR related processes
- ✓ Expert guidance and leading practice cloud innovation
- ✓ Continuing aftercare and support with Value as a Service™

DO MORE

WITH LESS

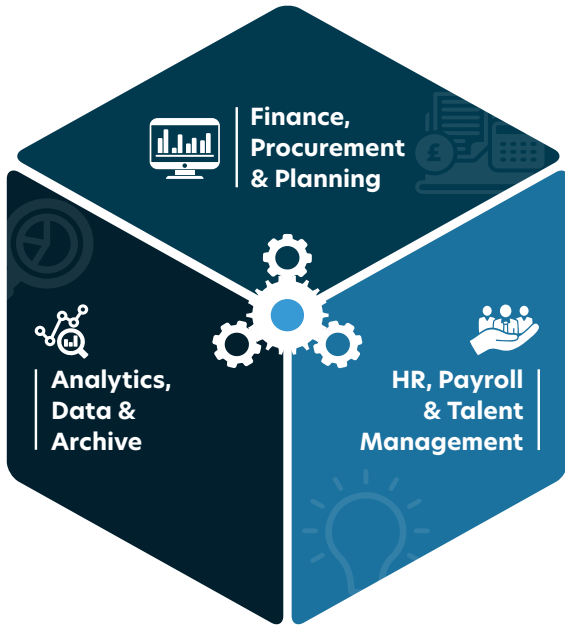

ORACLE | Partner
