

Odyssey™ for Health

The New Standard for Health Service Back Office

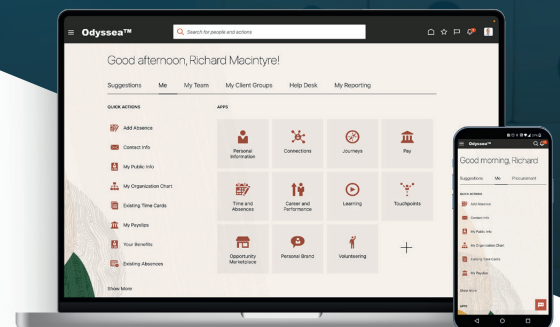

Odyssey™ for Health powers the evolution of digital transformation in the health industry providing a low risk, fast-start agile platform for finance and people management delivery.

Our 3-step blueprint approach to deploying Oracle Cloud means health organisations will quickly and efficiently deploy modern, engaging innovative solutions that make a difference to their service delivery.

Odyssey™ for Health provides:

- ✓ A working Oracle Cloud solution from day one
- ✓ A foundation for modern finance and HR related processes
- ✓ Expert guidance and leading practice cloud innovation
- ✓ Continuing aftercare and support with Value as a Service™

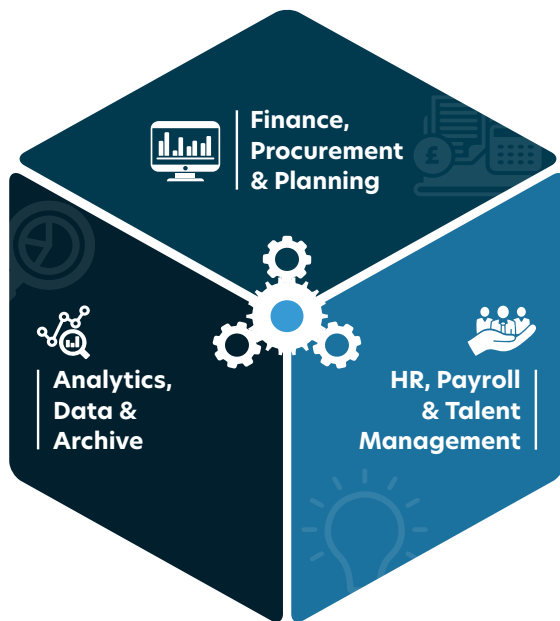

ORACLE | Partner
